Organizational Chart and Process	<p>An organizational chart shows the internal structure of an organization. The employees and positions are represented by boxes or other shapes, sometimes including photos, contact information, email and page links, icons and illustrations. Straight or elbowed lines link the levels together.</p>
Nature And Extent Of Involvement Of Faculty And Students In Academic Affairs/ Improvements	<p>The vision of the Institute emphasizes on imparting quality education through active involvement of all of its stakeholders in the decision-making process for producing human manpower with technological excellence through quality education. The established policies and procedures practiced by the Institution have evolved through autonomous governance since its inception, which ensures the integrity and effectiveness of governance and administration for high-quality education. The Institute, being fully autonomous, has a culture of decentralized governance system with well-defined hierarchical inter-relationships. The strategic plan is framed with goals in line with the Institute's vision and mission statements, and statutory committees and bodies are constituted within the Institute to monitor all the activities. The institute prepares an Academic Calendar in every semester and is strictly adhered. All faculty and students are involved in the preparation of the calendar. Students' Interface Committee (SIC) has been constituted under the leadership of the Dean Students' Affairs to improve the involvement of students in all kinds of activities, which include teaching-learning, evaluation, sports, cultural, etc. In this committee, three students from each division are nominated. A proper representation of girl students and academically weak students are given in this committee. Very regular meetings (every fortnight) are conducted to discuss various issues and get suggestions from the students. Students are involved in almost all activities of the Institute.</p>
Mechanism/Norms and procedure for demographic/ good Governor	<p>All important policy decisions are taken by the Governing Body. Administrative setup of the institution is as per the organization chart of the institution. The decision-making procedures are made at appropriate levels in the organizational hierarchy. The principal is the academic and administrative head of the institution. Service rules have been formulated as per the guidelines of competent authorities like the affiliating University and approval body and institutional values.</p>
